Published Every Wednesday.

PAW PAW, MICHIGAN, FEB. 22, 1888.

Memorial services for Rev. W. S. Wilkinson, pastor of the Baptist church at Bloomingdale, were held last Sunday morning. The house was crowded, the Methodist and Christian churches uniting in the service. Rev. Mr. Bell officiated assisted by Revs. Paddock and Rawson. The entire community mourned the loss of the late pastor. After the evening discourse, Mr. Bell baptized three converts.

At a meeting of the Van Buren county branch of the Michigan club held in this village last Friday, the following named delegates were elected to attend the annual meeting and banquet at Detroit this evening: Hon. C. J. Monroe of South Haven, G. E. Breck, J. E. Chandler, O. W. Rowland, B. F. Heckert, K. W. Noyes, C. H. Butler of Paw Paw, A. Chapman of Arlington, Hon. J. S. Cross of Bangor, Hon. J. G. Parkhurst, Hon. A. B. Copley of Deatur, Hon. E. H. Simpson, Chas. Mortimer of Hartford, H. P. McFarlin of Waverly, C. L. Eaton of Antwerp, Gilbert Mitchell of Geneva, J. W. Burlington of Porter, Chas. Dancombe, J. V. Rosevelt of Keeler, Hon. W. O. Packard of Covert.

We are in receipt of a letter from the lady who owns the place occupied by Mr. J. B. Foote, relative to the well on the place. She says the well is not a drive well at all; that it has been dug eighteen or twenty years; that it was put down in good condition, bricked up with cement well brick and coarse gravel put in the bottom of it and behind the brick for some distance above the water line. The water, she says, has always been classed with the best, and she is at a loss to understand how it can be so impure. The Northwesterner hopes the matter will receive a thorough investigation. If that will be any one in town is in a dangerous condition of impurity, the fact ought to be known and the well filled up.

Lines on the Death of Little Bessie Wilson.

Gently as the sun of morning
Rose in splendor o'er the hill,
Gently passed dear little Bessie,
Freely from cold or pain or ill.
Dainty hands so lately folded
O'er that peaceful little breast;
Little lips so cold and lifeless
That we all so often pressed.
Vain we listen for the patter
Of those dainty little feet
And the voice of childish prattle,
Filling home with music sweet.
Often through the midnight watches
Would a ray of hope appear;
Then rear would leave on each heart a shadow
And in each eye a tear.

Mr. and Mrs. Walter Wilson wish to express their heartfelt thanks to their friends and neighbors, who so kindly assisted them during the illness and burial of their little daughter, Bessie.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit, he may tell you he has something just as good or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at Bartram & Millington's drug store. Large bottles \$1.

Save the Children. They are especially liable to sudden Colds, Coughs, Croup, Whooping Cough, etc. We guarantee Acker's English Remedy a positive cure. It saves hours of anxious watching. Sold by Bartram & Millington, Druggists.

Worth Its Weight in Gold.

Albert Emminger, Covington, Ky., was afflicted with Catarrh three years. He says: "After trying every known patent medicine which I saw advertised, none of which helped me; I tried Papillon (extract of flax) Catarrh Cure as a last resort. It has made a complete cure and is worth its weight in gold. I will give you other references from parties who have been cured. It is no experiment, but a positive cure." Large bottles only \$1 at C. F. Young's drug store.
